

Clear Coat Solutions

- Efficiency expert for sanding work
- Time-saving design for smooth surface finish
- **Ultra Action** is great to remove swirl marks, water spots, scratches and orange peel.

2.5 mm orbit for initial sanding
9.0 mm orbit for fast material removal

5D561-H 2.5 mm Orbit
5D551-H 9.0 mm Orbit

5D161-H 9.0 mm Orbit
5D151-H 2.5 mm Orbit

3 mm Orbit

58416 Nib Sander

3 mm Orbit

12,000 rpm 7,500 rpm
58105 **58106** Nib Sander

- **Massive Orbit for quick removing scratches !**
- Low noise, low profile and easy to control

14 mm Orbit

50180 3" Buffer

15 mm Orbit

50930 3" Ultra Action Buffer

15 mm Orbit

50950 5" Ultra Action Buffer

Lubrication Free !

15 mm Orbit

50185 5" Buffer

Sanding / Polishing Kit

- 3 mm + 15 mm Orbit-Action provides effective sanding and buffing.
- Easy sanding for the thin panels and tight areas

B-50176 3" Ext. Angle Sander / Polisher Kit

- Ideal for buffing and polishing in small areas
- For quick and easy spot repair on variety of surface
- Pressure Control to prevent burn in clearcoat
- Digital Display
- Contents:
 - 1 x 3" Ext. Angle Sander (50176)
 - 1 x 2" (50 mm) Hook Pad (A3112V-MC)
 - 1 x 1-3/16" (30mm) Hook Pad (A311AV-MC)
 - 1 x 3 mm Balancer (Y50006-TD003)
 - 1 x 15 mm Balancer (Y50006-TD015)
 - 1 x 11 mm Spanner
 - 1 x 12 mm Spanner initial sanding between paint/stain

B-50006-1 Mini Pistol Sander / Polisher Kit

- Mini and compact design with industrial level quality
- Durable, composite and lightweight body
- Adjustable Speed Control to remove defects safely
- Contents:
 - 1 x Mini Disc Sander (50006)
 - 1 x 2" (50 mm) Hook Pad (A3112V-MC)
 - 1 x 1-3/16" (30 mm) Hook Pad (A311AV-MC)
 - 1 x 3 mm Balancer (Y50006-TD003)
 - 1 x 15 mm Balancer (Y50006-TD015)
 - 1 x Wrench

Special Accessories for Expert Finish
